## Parklets on PARKing Day: A Community Open House

Come learn the latest on the PDA's initiative to enhance Colorado Boulevard through the installation of Parklets. After nearly four years of study and design, the PDA is closing in on a decision on whether to seek a "road diet" along Colorado between Los Robles and Hudson to enhance safety, improve parking and create spaces for Parklets. The public are invited to view the final proposed designs and engage in conversation about the first two Parklets and road diet. The open house will be held on International PARKing Day, Friday, September 16 at 709 E. Colorado Boulevard, Suite 101 (the Atrium building, between Office Max and Vroman's) from 11:00 am – 2:00 pm. View project information at [www.playhouseparklets.org](http://www.playhouseparklets.org) or contact [brian@playhousedistrict.org](mailto:brian@playhousedistrict.org) with any questions.
