## Introducing Spun Chairs!

The PDA debuts a set of seven red Spun Chairs, designed by London-based architect and designer Thomas Heatherwick. Upright, the fascinating Spun Chair looks more like a sculptural vessel than a seat. But when it leans on its side, it forms a comfortable, functional chair that lets you rock side-to-side or spin around!

Take a seat, rock side-to-side, or spin around as our Spun Chairs pop around the Playhouse District. Follow [@playhousedistrict](#) on Instagram to see where the twisting fun will be next.
