Learning Through Play

Southern California Children's Museum continues to fuel the imagination and learning through virtual activities for local kiddos to experience at home. Hop on to their Instagram every Tuesday for virtual story-time, followed by fun craft ideas inspired by that week's stories. Beginning August 10, embark on an exploration of the alphabet every Monday and Thursday. Learn more atsocalkids.org.

Boston Court Pasadena Book Club

Boston Court Pasadena has launched a monthly book club. Each month the club read a play that is vitally relevant to something happening in our world today and then have a casual community conversation about the script and the story. Business Resources

We understand that these are difficult and unprecedented times for our Village business and are working diligently to put together several resources from local, state, and national entities expressly designed for small businesses.
