

In the VILLAGE

September 2020

Thank You for Dining in the Village

It takes a village to keep our community going. Thank you for continuing to support our local restaurants and cafes. As we fall into a new season, pick-up your favorite dishes from Village eateries or dine al fresco.

Additionally, several new experiences have arrived in the Village for you to try:

- **Tardino Brothers** is serving up homestyle Italian cuisine with their soft opening at 40 N Mentor Ave
- **Capriotti's** is now serving loaded subs at Kitchen United Mix
- Enjoy newly added al fresco dining at **Chim! Thai Street Food** and **Go China** on Lake Ave
- **BBQ Americano** every weekend at University Club of Pasadena, with the savory and tasty meats from Robin's Woodfire Grill.

Boston Court Pasadena presents *Blood/Sugar*

Friday, September 25 | 7:00PM

Diana Wyenn's highly theatrical virtual solo show is a thrill-ride that takes us through the roller coaster of diabetes. Conceived originally as a live stage show, *Blood/Sugar* is now a live virtual extravaganza, complete with rich projections, movement, text, and innovative theatricality as historical perspectives and staggering statistics collide with personal narrative and deep humanity to give embodied expression to the complexities of chronic illness. Following this free performance is a conversation between Wyenn, the audience, and local diabetes educators and nutritionists.

Save your spot for this performance at bostoncourtpasadena.org.

Vroman's Virtual Author Events

Vroman's Bookstore has been more than just our local treasury of books and gifts, but a destination to hear from local and best-selling authors, and discuss an expansive range of topics. Now, powered by Crowdcast, enjoy these conversations and panels from the comforts of home.

Visit vromansbookstore.com to save your spot for an upcoming virtual author event.

Explore with Jungle Jordan

Since you can't visit their Wild California permanent museum exhibit in-person right now, Southern California Children's Museum is bringing the unique biomes of Southern California home to you. They've created a step-by-step, interactive lesson to reinforce learning through dramatic play, writing, art and more with Jordan Veasley, AKA "Jungle Jordan," a zookeeper and wildlife educator at the Cougar Mountain Zoo in Seattle!

Head over to socalkids.org to download this adventurous lesson.

Business Resources

We understand that these are difficult and unprecedented times for our Village business and are working diligently to put together several resources from local, state, and national entities expressly designed for small businesses. The Playhouse Village Association has compiled a page to share accurate public health information and recommendations provided by local agencies and provide links to resources for additional information.
