

# In the VILLAGE

**January 2021**

*A previous version of this email had the date for Cheeseburger Week incorrectly listed and has been corrected to January 24 - 29. We apologize for any confusion.*

## **Happy New Year!**

As we enter into 2021 and make our annual goals, an easy one to accomplish is to support local more. Our shops are open for limited in-store, online, plus other alternative ways of shopping to ensure the safest experience for you and their staff. Order ahead and take advantage of pick-up and delivery services where available from our eateries. When visiting, let's do our part to help keep doors open by wearing a face cover, keeping our hands sanitized, and maintaining a safe distance from one another.

Every dollar spent locally continues to be an investment in our neighborhood and supports local jobs. Together, we can keep showing our businesses love by frequenting our favorites and discovering new ones through 2021 and beyond. See you in the Village!

## Get Active in 2021

It is never too late to start getting active and our Village fitness studios and gyms can help. Many of them have adapted their workouts to be done outdoors or virtually anywhere with their online classes. Take advantage of the new year momentum and gear up for fun workout challenges with fellow members to keep you on track. Besides helping sharpen our minds and strengthen our bodies, exercising can be a whole lot of fun! Check it out at our [blog](#).
