

# In the VILLAGE

June 2021

## Cheers to Dads and Grads

Celebrate Father's Day and the Class of 2021 this month with the help of our local shops and eateries. Across the Village, you can find statement pieces, artisanal items, heartfelt mementos, and more. With many of our restaurants taking advantage of the signature Pasadena weather by going al fresco and now with their reopened dining rooms – they are the perfect location to toast your honorees and savor a delicious culinary feast. Head over to our [blog](#) to check out our local gift guides for inspiration.

## Business Resources

We understand that these are difficult and unprecedented times for our Village business and are working diligently to put together several resources from local, state, and national entities expressly designed for small businesses. The Playhouse Village Association has compiled a page to share accurate public health information and recommendations provided by local agencies and provide links to resources for additional information.
