Hispanic & Latino Heritage Month

September 15 to October 15

National Hispanic and Latino Heritage Month traditionally honors the cultures and contributions of both Hispanic and Latino Americans. We invite you to celebrate by supporting Hispanic and Latino-owned businesses in the Village. A wonderful way to start is to savor the flavors of the region with a meal at restaurants like [El Portal](#), [El Metate Café](#), and [Anayas](#) or by supporting local artisans and creators at [Mercadito Monarca](#) amongst many others. We look forward to seeing you in the Village as you discover or visit your favorite Hispanic and Latino-owned business. Thanks for supporting local!

Help Name Our Park

Over the last few weeks, the City encouraged community members to visit their website and submit their own recommendations. From these recommendations, City staff are compiling a list of names that meet at least one of the four criteria outlined in the [City's Public Park and Recreation Facility Naming Policy](#) and will share a second survey on September 6 asking the community members to vote for their preferred choice. Visit playhousevillage.org/park to learn more about our currently under-construction park and to vote for your choice of name (starting September 6).

Business Resources

We know that the past year has been an unpredictable and tumultuous time for our businesses, cultural partners, and the overall community. We are working diligently to put together several resources from local, state, and national entities expressly designed for small businesses. The situation remains extremely fluid, but we are doing our best to compile this information. To learn more, please visit our [resource page](#).
